Norman, Oklahoma 73069

For Immediate Release: July 31, 2015

Contact: Greg Hall, Street/Storm Water Superintendent, 329-2524, greg.hall@normanok.gov

Closing 36th Avenue NW between Franklin Road and Indian Hills Road

Weather permitting, Monday, August 3, 2015, 36th Avenue NW will be closed to through traffic between Franklin Road and Indian Hills Road to perform an asphalt overlay. Access to the residents located within the work zone will be permitted access; delays can be expected.

This project is part of the Capital Improvement Projects program and is necessary to keep the road serviceable until the Bond Program project to widen the road takes place. It is anticipated that the roadway will be reopened on Friday, August 7, 2015.

The recommended detour will be Franklin Road, Interstate Drive West and Indian Hills Road. Traffic control devices will be placed to protect the public and direct motorist around the closure.
